In Hernando, Citrus and Sumter Counties, Medicaid open enrollment has started. If you want to change your plan, you will need to call 1-877-711-3662. If you are happy with your plan then you do not have to do anything. If your doctor is leaving the plan you will also need to call to change or find a new doctor. If you do have any questions about this, then call your case manager, they should know the answer.

Do you need case management?

If you or someone you know is in need of case management, we are always taking new clients. So feel free to call us if you are in need of case management.

They are still looking for members from Hernando County! If you are looking to get involved and see how the system works, and willing to travel to Tampa for 2 meetings a month, come and check them out! They will reimburse for mileage and it would be a great experience. If you are interested you can check them out online at

Come out and join us for a fun night of Bingo at Hamburger Mary's in Tampa. Sunday June 12th at 5:30 pm. There will be fun and prizes and it will be a great event to raise some funds for our food pantry. If you would like to attend, please RSVP at 1-813-241-6279

We hope to see you there!

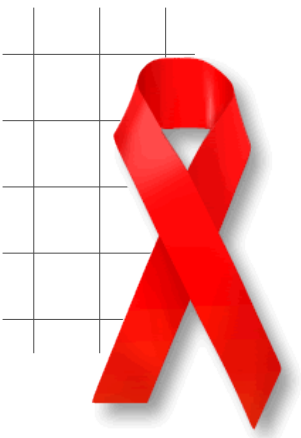

Coming up on May 3rd it is the annual 24 hour online giving challenge. We are participating again this year and we are once again putting all of the money raised in-
to our food pantry!
